Jackpot drawing this month

Congratulations to Marlene Caldwell (again!) for winning the \$50 jackpot at the picnic. Thanks to Marlene for graciously (wisely) returning her winnings to the club. Jim Belt was the lucky beneficiary when his was the next name drawn. We start another big jackpot this month and, remember, you must be present to win. This time we'll make sure Marlene's extra tickets are taken out of the hat.

Door Prizes

Fabulous, valuable door prizes are given away at every meeting. Don't miss out!

CNS/COINS Labor Day Weekend Show

How about a big "Attaboy" for everyone who worked so hard at making our annual club show a huge success once again! Thanks to the many club members who generously volunteered their time to the many tasks required making the event run smoothly for dealers and collectors. Our hard working club members are a major reason this has become a "must attend" event in numismatics.

Auction

This meeting features an auction of interesting numismatic material. A list is included with this mailing. You too can be a consignor, see Dan Rich for details.

September Educational Program

An interesting topic will once again be presented. As we go to press it's apparently TOP SECRET because no one let the bulletin editor know. Please plan on attending an always enjoyable, always interesting, always informative, presentation on some as yet unknown numismatic topic.

Summer Club Picnic

Once again, the club picnic was a huge success with vast quantities of food consumed and a great time had by all.

World Coin SIG Meeting Announcement

The World Coin/Currency SIG will be meeting Sunday, September 21st at 2:00 at Bill Smith's castle in Dayton. Bill will be discussing the art of collecting world currency. Group members will show off some really interesting and attractive notes. For information/directions contact Bill Kramer at 614-792-3900 during the day or email bill@autocode.com.

Reminder

If you want your announcement in the bulletin you have to let the editor know, his crystal ball has been clouded over lately.
